

Soft Tissue Biologics

Physician Office Solutions

Physician Office Eligibility

Special pricing for AlloWrap®, BioSkin®, and ViaFlow® in the physician office setting (Site of Service 11) is available. To qualify for this pricing, applicable accounts must meet the below eligibility criteria:

- Eligible physician offices must be free standing. They cannot be owned, leased, or managed by an Integrated Delivery Network (IDN) or other Ambulatory Surgery Center (ASC) group
- Physician office must have an established account number within JDE or Oracle
- A copy of the account's W9 is required
- Accounts must pass a credit check

Please be sure to confirm that your physician office is not owned, leased, or managed by an IDN or other ASC group. To set up a new account, contact your Customer Service Representative (CSR).

In-Office Injections

ViaFlow®

Placental Tissue Matrix

Physician office discount for ViaFlow only applies to product code **AMAF-0005: ViaFlow Flowable Placental Tissue Matrix 0.5cc**. Maximum discount for this product is \$500 and cannot be further discounted.

In-Office Wound Care

AlloWrap® DS

Amniotic Membrane

AlloWrap DS may be reported separately with Healthcare Common Procedure Coding System (HCPCS) code **Q4150 – AlloWrap DS, pre-hydrated or dry**, per sq cm. HCPCS code Q4150 is not included in the Average Sales Price (ASP) Medicare Part B Drug Pricing File. The Medicare payment allowance limit for drugs and biologics not included in the ASP file is based on the published Wholesale Acquisition Cost (WAC) or invoice pricing for physician payment. Therefore, Medicare payment for HCPCS code Q4150 will be based on WAC or invoice in the physician office setting.

BioSkin®

Amniotic Wound Matrix

BioSkin may be reported separately with Healthcare Common Procedure Coding System (HCPCS) code **Q4163 - Woundex, BioSkin, per sq cm**. The Centers for Medicare & Medicaid Service (CMS) has provided updated guidance for the Average Selling Price (ASP) specific to BioSkin, which is now \$148.55 per sq. cm. As a result, the purchase price for BioSkin for use in the physician office setting (Site of Service 11) is \$148.55 per sq. cm. This price is good for in-office applications only for Q2 2022, ending June 30, 2022. Any changes from CMS will be provided in an update for Q3 2022, if necessary.

Stryker cannot guarantee coverage or payment for products or procedures. Coverage determinations are made based on individual patient conditions and can vary depending on local payer policies. For more specific information, please contact your Medicare Administrative Contractor or Private Payer.

Every reasonable effort has been made to ensure the accuracy of the information in this guide. However, the ultimate responsibility for coding and claims submission lies with the provider of services (e.g., physician, hospital, ASC). Stryker Orthopaedics makes no representation, guarantee, or warranty, expressed or implied, that this report is error-free and will bear no responsibility or liability for the results or consequences of its use. Reimbursement is dynamic. Coding and payment rates may change from time to time. Providers should consult with payers and follow their guidelines as appropriate. A surgeon must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a particular patient. Stryker does not dispense medical advice and recommends that surgeons be trained in the use of any particular product before using it in surgery. The information presented is intended to demonstrate the breadth of Stryker product offerings.

A surgeon must always refer to the package insert, product label and/or instructions for use before using any Stryker product. Products may not be available in all markets because product availability is subject to the regulatory and/or medical practices in individual markets. Please contact your Stryker representative if you have questions about the availability of Stryker products in your area. Stryker Corporation or its divisions or other corporate affiliated entities own, use or have applied for the following trademarks or service marks: Stryker.
